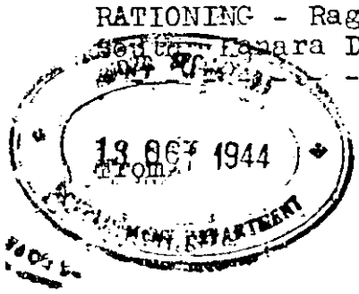
Subject:

RATIONING - Ragi and Wheat - Declaration as rationed articles in South Kanara District - Requested.



Ref.No.4710,
Dated 11-10-1944.

From:

A.F.W. Dixon Esq., C.I.E., I.C.S.,
Commissioner of Civil Supplies.

To

J.F.Saunders Esq., I.C.S.,
Secretary to the Commissioner of Civil Supplies.

Read:- (i) G.O.Ms.No.201, Development, dated 17-1-44.
(ii) G.O.Ms.No.204, Development, dated 17-1-44.
(iii) G.O.Ms.No.206, Development, dated 17-1-44.
(iv) G.O.Ms.No.4209, Development, dated 30-9-44.
(v) Government Endorsement No.52886-F.II, Development, dated 5-10-44.

In the first three G.Os. quoted above, rice (including rice in the husk etc.) has been declared as a rationed article in the three rationed areas of South Kanara District, viz. Mangalore, Kasaragod and Udipi. The Stock of rice in the South Kanara District has gone very low and difficulties are felt in getting adequate supplies of rice. This situation has necessitated the making of arrangements for the procurement of ragi and wheat to supplement rice in the district. Arrangements have accordingly been made to send to South Kanara 2000 tons of ragi from the Chittoor Distric and action is also being taken to send some more quantity of ragi from Salem District. As regards wheat, the Government of India (Department of Food) were approached with a request for the diversio to the South Kanara district of the ex-quota of 2000 tons of wheat already allotted to the Malabar district out of the stocks to be transported from Karachi; and in their telegram No.289 (13) dated 5-10-44 they have agreed to the proposed diversion of the consignmen of wheat. In the above circumstances, the Board considers that ragi and wheat should be issued as part-rations to the cardholders in the rationed area-s so that the difficulties in the supply of rice may to some extent be mitigated. The Board accordingly request that ragi and wheat may also be declared as rationed articles in the three rationed areas of South Kanara District Viz. Mangalore, Kasaragod and Udipi. As ordered in G.O.Ms.No.4209, dated 30-9-44 rice flour and beaten rice will also be rationed articles in the said rationed areas. A draft notification is submitted for approval and publication in the next issue of the Fort St. George Gazette.

READ: From the Government Development Department Memo.No.68842-E/45-2 dated 22-11-45.

In G.O.No.4817 Development dated 10-11-1944 the Government accepted the proposals of the Board of Revenue (Civil Supplies) to start rationing of wheat and ragi in the statutorily rationed areas in the South Kanara District on 19-11-44 and to compel cardholders to take either

onc-eighth of their ration (rounded off to the nearest measure available) in the shape of wheat and another one-eighth (rounded off to the nearest available measure) in the shape of ragi and the balance only in the shape of rice;

) one-fourth of their ration (rounded off to the nearest available measure) in the shape of wheat and the balance in the shape of rice.

1945 the stock position of wheat was very low in the South Kanara

Kanara district and as the demand could not be met, the Collector of South Kanara was informed on 8-5-1945 that wheat issue should be made voluntary in the rationed towns, the rice content of the ration being the same. The Collector of South Kanara now reports that the issue of wheat portion of the ration is still being treated as optional.

2. The scale of ration to cardholders in the South Kanara rationed areas is now as follows:-

3/4 Rice
1/8 Wheat } Optional
1/8 Wheat or ragi }

The cardholders are now getting 3/4 rice only.

3. The Board requests the Government to approve the scale of ration and its components as specified in para-2 above which was given effect to from May 1945 in the rationed areas in the South Kanara District

Subd. for perusal. With reference to A above it is submitted that it is not clear whether informally rationed areas are also referred to therein. Information is available here so far as statutorily rationed areas are concerned. Anyway it would appear better to consult the Bd. subject to orders draft memo is subd. below for approval.

The Board's reference at pp 3 - 4 CF may be perused.

2. The Board has stated that taking of wheat by cardholders is only optional in the rationed areas of this province. But in G.O. 4817 Dept. of 10.11.44, it has been ordered that the rationing of wheat may be compulsory in the rationed areas in the Fourth Kanara Dt. It is therefore not clear as to when the compulsory rationing of wheat in the Fourth Kanara Dt. has been made optional. The Board may be consulted on this point.

The note below may be approved. The Board may be asked separately why it is necessary to compel card-holders in S. Ka. Dt. alone to take wheat. Office may also put up Govt. orders, if any, re wheat rations in S. Ka. Dt.

With reference to the orders above, a draft memo to the Bd. is subm. for approval. The ~~Govt~~ orders relating to wheat rationing in the S. Kanara Dt. have been issued in G.O. No. 4817 Rev. dt. 10-11-45 and will be found at pp 13-14/(L). Compulsory rationing of wheat was introduced in the South Kanara Dt. in order to mitigate the difficulties in getting adequate supplies of rice in that district. It is not known whether the stock position of rice in that district continues to be low and whether difficulties in securing adequate supplies of rice are still encountered so as to justify compulsory taking of wheat

To D.S

In its reference on pp 9-10 cf. the Bd. reported that cardholders in the rationed areas of S. Kanara Dt. are compelled to take wheat, rice being refused if wheat portion of the ration is not taken by them. In its reference on pp 13-14 cf, the Bd. now however, reports that, wheat from May 1945, wheat is being rationed on a voluntary basis, on the

following scale

3/4 rice
1/8 wheat
1/8 wheat or ragi : option

The Bd now requests that the ... of wheat on an optional basis in the rationed areas in S. Kanara Dt which was allowed by it, with effect from May 1945 may be approved. As cardholders in all the rationed areas of other districts in the Province are allowed to take wheat at their option, it does not seem necessary to compel cardholders in the S. Kanara Dt alone to take wheat. The Bd's proposal at A above may therefore be approved. Subject to orders, a draft memo is put up. It may be circulated for approval at 6A3

The note already approved and given for consultation to J.I section seems in connection with the Prov. Food Council meeting - vide copy at (n) - requires modification as far as it relates to the compulsory rationing of wheat in the S. Kanara Dt. In view of the fact that the meeting is to be held on 3-12-45, the position may perhaps be explained at the meeting.
